

AMTA's National Massage Therapy Awareness Week October 25 - 31, 2009

AMTA's National Massage Therapy Awareness Week is designed to raise public awareness about the benefits of massage, attract media attention to nationwide activities being carried out by AMTA chapters, members, as well as AMTA school members, and to give all AMTA members an opportunity to demonstrate their profession and skill. Whether you are participating with your Chapter, with other AMTA members or on your own, every effort is equally important in promoting massage and the profession!

Join the AMTA NJ Chapter in our NMTAW event:

"MESSAGE FOR A CURE DAY"

at Cortiva Institute-Somerset School of Massage Therapy in Wall Township, NJ on November 7, 2009 9:00 am to 4:30 pm.

ALL PROCEEDS GO TO THE AMERICAN CANCER SOCIETY!

Cortiva Institute-SSMT, an AMTA school member, has again gone above and beyond kindness to offer us the use of their Wall Township campus to host this HUGE event!

We need volunteer massage therapists who are willing to donate a few hours of massage to raise awareness and also raise money for a good cause! Last time this event was held, we had 37 massage therapist volunteers, and we raised over \$4,000.00 in ONE DAY!

Be a part of this emotional and rewarding event! One you will never forget! To volunteer for this event or for more information, contact Lori Keith at (732) 232-2121 or email lkeith@amtanj.org
